YMS Outdoor Meeting

Brian Moore joined our outdoor meeting for the first time Although not yet a member Brian has taken the opportunity to have a chat with the group and get a feel for some of our interests.

Although not a sunny day the weather was kind to us yet again.

The Bowls Club in the background.

Plenty of shade which helps a lot on sunnier days.

Freshly cut grass with the football pitch marked out, goalposts ready to go. Any other year we would be looking forward to the new football season. Who knows what will happen this year ?
